COVID VACCINATION INFORMATION

COVID BOOSTER DOSE – At the Cinderford Vaccination Centre

You can attend any of the walk in clinics for your booster dose at the Cinderford Vaccination Centre if it has been at least six months since your 2nd dose. You can book an appointment for your booster at 5 months from the date of your 2nd dose – you will be offered appointment dates no earlier than six months after the date of your 2nd dose. You can attend if you are:

- Aged 40 or over
- Aged 16 and over with a health condition that puts you at high risk from Covid – you will need to bring your letter inviting you to get your booster dose or a letter from your doctor about your health condition. The earliest you can have your booster is 8 weeks or more from the date of your 2nd vaccination.
- A frontline health or social care worker – you will need to bring proof of your employment such as your workplace photo ID, a letter or payslip from your employer dated within the last 3 months

All sessions are walk in or pre-booked appointment using the text message booking link sent to you by your Surgery.

Dates and times for the Cinderford Vaccination Centre are shown overleaf.
